

SEA LIFE

Sunshine Coast

Take your school camp experience to the next level with an exciting visit to SEA LIFE Sunshine Coast Aquarium! You can choose from two unforgettable options designed to bring marine learning to life.

3-Hour Guided SEA LIFE Tour

Explore the underwater world with a dedicated guided tour through SEA LIFE Aquarium. Students will discover fascinating marine animals, learn about ocean habitats and conservation, and enjoy an engaging, educational experience led by our knowledgeable Education Officers. It's the perfect opportunity to extend learning and create a memorable hands-on experience.

SEA LIFE Sleepover

For an experience students will never forget, choose a SEA LIFE sleepover! Spend the night surrounded by incredible marine life and discover what happens at the aquarium after dark. Students can enjoy an immersive experience evening of learning and exploration before settling down for a unique overnight adventure among the oceans most fascinating creatures.

Whether you chose the guided tour or the sleepover, a SEA LIFE experience is a fantastic way to add adventure, discovery and marine education to your school camp.
